

We're *still* here.

PRAY FOR NEGLECTED CRISES AROUND THE WORLD

Please join us in praying for overlooked nations in crisis, that God would bring global attention, justice and aid to all in need. Ask for hope and strength. Pray for courageous, righteous and compassionate leaders to arise.

- ☐ **Displaced people** - Pray that displaced people will experience God's protection, provision and peace while they are far from home. Ask for shelter, healing from trauma, supportive communities and strength to rebuild their lives.
- ☐ **Conflict** - Pray for an end to all conflicts and for God's peace to reign. Ask for softened hearts, justice, reconciliation, protection for the innocent and healing for nations.
- ☐ **Hunger** - Pray for those facing hunger and famine that God would provide food, clean water, and resources. Pray for lasting solutions to the underlying causes of hunger.
- ☐ **Governments in crisis** - Pray that governments in crisis will have wisdom, compassion and integrity making just decisions, seeking peace and courageously guiding their nations through complex challenges.

- ☐ **Governments who can support** - Pray that other nations respond with compassion and bold action, using their influence to provide aid, uphold justice and bring lasting change. Pray also for our own government to lead with generosity toward neighbouring nations.
- ☐ **Media** - Pray for the global media to report with integrity, truth and compassion. May they raise awareness, amplify unheard voices and inspire action that promotes justice, peace and understanding.
- ☐ **Churches** - Pray that churches respond with compassion and unity, taking action to support those in crisis, offering hope and the love of Christ to the forgotten.
- ☐ **Donor fatigue** - Pray donors are renewed in hope, protected from fatigue, encouraged by impact and motivated to continue giving faithfully. Pray for us all to be generous to those in crisis, even when facing our own struggles.
