

RESPONSIVE PRAYER: The God Who Sees

Approx. 2.5 – 3 mins

Leader: God of mercy, You are El Roi — The God who sees.
All: You see the forgotten, the overlooked, the unseen.

Leader: Forgive us, Lord, when we neglect what You have called us to remember — When we pass by those in need and fail to pay attention.
All: Open our eyes, O God, and teach us to see as You see.

Leader: You have told us not to neglect justice, mercy, and faithfulness.
All: Help us to pick up what we have laid down.

Leader: You have called us not to forget the foreigner, the widow, the vulnerable.
All: Turn our hearts toward those the world has turned away from.

Leader: You call us to hear Your voice — To listen with understanding and obey with courage.
All: We are Your people Lord, Lord; help us to hear and respond.

Leader: Where crises are hidden, prolonged, and ignored — Where suffering goes unseen by the world.
All: You are there, O God, seeing, knowing, and loving.

Leader: As You saw Hagar in the wilderness, alone and afraid.
All: See also those today who feel forsaken and forgotten.

Leader: God of hope, You opened Hagar's eyes to water in the desert.
All: Open our eyes to the needs around us and the ways we can respond.

Leader: Guard us from compassion fatigue and indifference.
All: Renew in us a steadfast love that acts with generosity and courage.

Leader: Strengthen those serving in neglected crises — Those bringing relief, justice, and hope.
All: Bless their work and multiply their impact.

Leader: Teach us to listen, to give, to pray, and to act.
All: So that we may be signs of hope and light in the darkness.

Leader: We commit ourselves again to Your call:
All: To pay attention. To remember. To respond.

Leader: God who sees all people,
All: Help us never to forget those You never forget.
Amen.
