

Latest News: Integral launches its fourth Neglected Crisis Awareness-raising Campaign

13th July 2026

We are pleased to announce that Integral has launched its Annual Neglected Crises Awareness-raising Campaign for the fourth year.

Integral continues to be committed to responding to neglected crises, those that are low profile, protracted or complex. This year the Neglected Crises Working Group has produced a toolkit of resources for Christian audiences. All Integral's 22 Members can use these resources to inform and raise the profile of their work in neglected crises contexts.

This toolkit includes prayer points, devotionals, a 'Hope in Crises' Bible reading plan, a biblical reflection on the 'God Who Sees', slides, a video, social media assets, practical ideas for churches, as well as stories and photos showing Integral Members making a difference in neglected crises. As well as this toolkit, on the 14th July, 12 continuous hours of prayer will take place, covering 12 of the neglected crises or countries in which Integral Members are working.

Hannah Moeda, the Neglected Crises Working Group Chair says, "My hope is this joint campaign will not just raise awareness of what is happening in these countries but also deepen our understanding of God's heart for all people in need, and inspire hope that together we can make more of a difference."

Fiona Boshoff, CEO of Integral, says "I am delighted that we can use this year's campaign to talk to Christians about neglected crises and the difference we can make through prayer and action. It is my firm belief that God is at work behind the headlines and as it says in Practical Ways Your Church Can Help resource, 'God is already at work everywhere. Why not join Him? Act faithfully even when the world is not watching.' That is certainly my hope and prayer for this year's campaign."

Integral is a global alliance of 22 Christian relief and development agencies that come together to respond in times of disaster. We believe we can serve people better by uniting our collective reach, funding and expertise.

Extra information:**Integral's Mission**

Integral exists to see God's Kingdom demonstrated by uniting our Members.

We champion, encourage and facilitate collaborative working across the Alliance, particularly in disasters.

On Integral Collaboration:

Integral is a global alliance of 22 Christian relief and development agencies that come together to respond in times of disaster. Our Members are headquartered in 14 countries, work in over 73 countries and work together with a network of more than 470 local Partners.

When disaster strikes Integral Members follow an agreed Joint Disaster Response process, strategically combining their programming, financial and communications resources. This ensures a rapid and high-quality response both directly and through local Partners. We also focus on neglected crises that lack donor and media attention.

By combining Member strengths, we extend our reach and deepen our impact in disasters. In uniting our collective capacity, funding and expertise, we believe we serve people better by working together.

Integral promotes locally led action in disaster responses, recognising local organisations as equal partners. Integral has pledged to maintain the high quality of our work by endorsing and committing to the [Core Humanitarian Standard](#).

Our Christian values unite us in prayer, Christian reflection and collaborative action. Strong relationships and prayer are foundational in all we do. Members encourage, learn from and inspire one another.

Integral was founded in 2004 when leaders of Christian INGOs imagined how, through greater collaboration, they could have wider reach and impact for people experiencing disasters. In a world that is often cynical, fragmented and hostile, we are Christians who believe that disaster and suffering are not the end of the story.
